HONORARY MEMBERSHIP

The Executive Committee acting on the Powers vested on it by the Constitution and guiding principles of National Women and Children Association for Hygiene and Nutrition (NaWCAHN) is pleased to admit Her Excellency Madam Audrey Jaine Gardner as an Honorary Member of the National Women and Children Association for Hygiene and Nutrition (NaWCAHN).

The role of the honorary member is to give support of any kind and to link NaWCAHN and its members with other bodies, CBO's Organisations, Institutions, Philanthropists, Individuals, Families, Groups, Schools, Hospitals, Clinics, Health centres worldwide. He/she organise training programs, visit, exchange visits and programs, make pledges, participate in NaWCAHN programs.

The honorary member also receives budgeted plan of action of NaWCAHN to know the identified programs required for funding. He/she also receives reports of all implemented programs.

Honorary membership to NaWCAHN is open to whosoever is interested in becoming a member and those upon request by the organization (NaWCAHN). The membership includes Individual, Families, Companies, Institutions, Schools, Councils, etc and even those interested in providing support in any form to NaWCAHN. Official admission letter is provided to all members.

You may extend these gesture to those you feel might have interest in becoming honorary members to NaWCAHN. I am happy to inform you that most of our successful implemented programs are provided by our honorary members.

All these would be on evidence base intervention programs aimed at improving the health and nutritional status of vulnerable groups and also building the capacity of youth in various areas to improve their talents in their area of interest. Thank you.

Alieu B. Sanyang
Secretary General
NaWCAHN

Alimatou Tamba
Chairman

VISION: To ensure the availability of trained nutritionist and create a conducive environment for malnourished people particularly women and children to access treatment and preventive care
