Madam Audrey GARDNER

November 12, 2013

Dear Madam Audrey GARDNER:

I Babacar Sow, CEO & Founder of Youth Action Without Borders, Dakar Senegal West Africa recognized Audrey Jane Gardner as the President of Y.A.W.B in United States of America. Your name is on file in Dakar, Senegal. Since the organization was created in 2009 Ms. Gardner has been working to link the two countries together USA and Senegal. She has been assisting with the youth, women's group, villages and humanitarian work.

Ms. Gardner and I work together to educate, clothing, share modern farming techniques and to improve health in the rural communities. Our mission is to provide a multi-cultural experience for diversity.

I hope that we continue a successful working relationship between the USA, Senegal and to extend the organization to other borders.
