THE SENEGALESE COMMUNITY
FOR AID AND SELF-DEVELOPMENT**

Dear Fellows:

We are really happy to know about your Association **SENCAD** and to learn that you are celebrating our **54th Independence Day** in the USA. We are very proud of you and wish this celebration be among the most successful ones.

In fact, we are very happy to learn that you have invited **Ambassador Audrey Gardner**. By this occasion, we want to let know all the **humanitarian actions** she has been doing for our area **Diobasse** especially the villages of **Tatene** and **Baback**. We cannot really express faithfully how useful our partnership with her and **Youth Action Without Borders** is, only because the goodness that these actions procured to the people and the hope that it builds in them are beyond measure.

Her actions are numerous and are of various kinds.

- ✓ Medical and hygienic supplies: first aid supplies, personal hygiene items, patient care (nursing) supplies, pediatric supplies, etc.
- ✓ School materials: pens, bags, books, etc.
- ✓ Clothes: protective clothing/face wear, towels, dressings, etc.
- ✓ Products for children: toys, candies, clothes, etc.
- ✓ Seeds: brought from the USA to be experienced in Tatene.
- ✓ Women empowering: building self-confidence in women, raising awareness and encouraging women to believe that they can make it if they keep trying.

Summarily, far from being exhaustive, those are part of the invaluable actions **Ambassador Audrey** has been doing with open heart for our area (**Diobasse**), as a matter of fact, for **Senegal**.

From the bottom of our hearts, we thank Ms. Gardner and express her our deep-rooted acknowledgement and gratitude for all what she is doing and what she intends to do for our villages.

This satisfaction we have towards her is confirmed by the action of **Tatène's Chief of village** consisting in offering her a parcel of land for residential accompany.

Thanks for Ambassador Audrey affection to the country and for your priceless contribution to its development,

Best regards.

On behalf of the whole population of Diobasse,
